

WovenOriginals™

Fun, engaging, interactive, and seasonally fresh content created specifically for digital signage, by the experts in digital signage.

WovenOriginals provides content specifically designed with the digital signage viewer in mind. Short format, super timely, non-audio dependant content that attracts and engages viewers as if it was created just for them, because it was! From fun interactive trivia games to content promoting good health, and a whole lot more. Ten or more new pieces added to the WovenContent library each month.

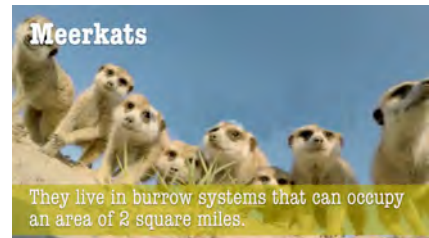

BRAIN GAMES

Viewers really interact with our trio of Brain Game, monthly releases. Play True or False, Multiple-Choice, and Fill in the Blank trivia games

LIVIN' the GOOD LIFE

Monthly, seasonally topical videos on a subject everyone likes: Livin' the Good Life!

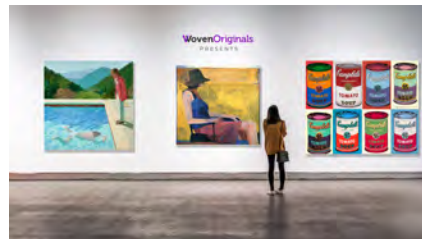

ANIMAL SMARTS

Get to know the exotic creatures from the animal kingdom, with stunning video and a few and quick facts about each species

TOP-5 of EVERYTHING

More fun and games, this time with different Top-5 lists on almost any topic imaginable. From sports to singers, movies to mountains, what's your Top-5?

:30 ART BREAK

Take a moment, thirty seconds in fact, for a brief education in the masters of fine art. From Van Gogh to Warhol, impressionism to commercialism, take a break, and enjoy

RECIPEAZY

Viewers are always hungry for food and recipe content, and we've created a few delicious pieces of our own to share with you, all in stunning 4K (also available in HD)

The WovenOriginals creative team is always looking for new, short form content ideas for digital signage.

If you have a content idea you'd like to see on your screens, we're interested in creating it.
